ARTICLE II

NEGOTIATION PROCEDURE

- A. In accordance with Chapter 303, Public Law 1968, the parties agree to enter into negotiations in a good-faith effort to reach agreement concerning the terms and conditions of employment. Such negotiations shall begin not later than October 1st of the calendar year preceding the calendar year in which this Agreement expires.

- F. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

A "grievance" shall mean a complaint by a teacher or the Association that there has been either a personal loss, injury or inconvenience because of a violation, misinterpretation or inequitable application of Board policy, this Agreement or an administrative decision affecting teachers.

A grievance to be considered under this procedure must be initiated by the teacher within thirty (30) calendar days from the time when the teacher knew or should have known of its occurrence.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- (b) It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the

Board until such grievance and any effect thereof shall have been fully determined.

2. Level One

Any teacher who has a grievance shall discuss it first with his principal or immediate superior in an attempt to resolve the matter informally at that level.

3. Level Two

If, as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within five (5) school days, he shall set forth his grievance in writing to the principal specifying the nature of the grievance and the resolution sought.

The principal shall communicate his decision in writing to the teacher within three (3) school days of receipt of the written grievance.

4. Level Three

The teacher, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the principal as specified above and his or her dissatisfaction with decisions previously rendered. The superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The superintendent shall communicate his decision in writing to the teacher and the principal.

5. Level Four

If the grievance is not resolved to the teacher's satisfaction, he, no later than five (5) school days after receipt of the superintendent's decision, may request a review by the Board of Education.

The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the teacher and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board, except in the case of grievance involving any of the following points:

- (a) Any matter for which a method of review is prescribed by law or any rule or regulation of the State Commissioner of Education or any matter which according to law is either beyond the scope of Board authority or limited to action by the Board alone.
- (b) A complaint of a non-tenure teacher which arises by reason of his not being re-employed.

- (c) A complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.

6. Level Five

If the teacher is not satisfied with the disposition of his grievance at level Four, he may, within five (5) school days, after a decision by the Board, request the Association to submit his grievance to arbitration. The Association may submit the grievance to arbitration within fifteen (15) school days after receipt of the request by the teacher. The Association shall notify the Board through the Superintendent of the request for arbitration.

Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitration. The following procedure will be used to secure the services of an arbitrator:

- (a) A joint request shall be made to the American Arbitration Association to submit a roster of persons qualified to function as arbitrator in the dispute in question.
- (b) If the parties are unable to agree upon a mutually satisfactory arbitrator from the list submitted, they will request the American Arbitration Association to submit a second roster.
- (c) If the parties are unable to agree, within ten (10) school days of the initial request for arbitration, upon a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the agreement between the parties or any policy of the Board of Education. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusion on the issues submitted. The recommendation of the arbitrator shall be advisory. Only the Board, the teacher and his representative, and the Association shall be given copies of the arbitrator's report. This shall be accomplished within twenty (20) school days of the completion of the arbitration hearings.

D. Costs of Arbitration

- 1. Each party shall bear the total cost incurred by themselves.
- 2. The fees and expenses of the arbitrator are the only costs which shall be shared by the two parties and such costs will be shared equally.
- 3. If time is lost by any teacher due to arbitration proceedings

necessitating the retention of a substitute, the Board of Education shall pay only the cost of the substitute. The time lost by the teacher shall either be without pay or charged to personal time.

E. Miscellaneous

1. Commencing with level Three, the decision of the administration and/or Board shall include a statement of reasons for the position taken (excluding non-tenure teachers in cases of re-employment).
2. Commencing with level Two of the grievance procedure, the teacher may be represented by a representative selected or appointed by the Association.
3. Forms for filing grievances will be supplied by the Superintendent.
